MY STORY

We moved to Scotland in January, 2021 from Lubbock, Texas

Reagan serves as an elder at HCCB, assists the other pastors in leading the church and developing 20schemes West, leads men's Bible Study, and provides pulpit fill and assistance for a church transitioning to revitalization. He also assists in coordinating events for the church and 20schemes, and is active in two children's ministries as well as evangelism in the community.

We love Scotland, and are grateful to be used of God in the work here. Scotland is spiritually dark, but God is not finished with this country. He is faithful to call, send, and save. May he be glorified in the schemes and beyond!

- **Please pray for continuing wisdom, health and strength to serve the Lord.**
- **Please also pray for our five grown children back in the USA, (as the family is mostly long-distance now) for their growth in Jesus, and the same for Carrie, who is here with us.**
- **Please pray for God's provision for the work in Barlanark: a church meeting location, wisdom in moving forward as our church divides in two, and hearts ready to receive the gospel in our community.**

**We really value your prayers and support!
