MY STORY

I grew up in a rough area and my parents were absent because of serious mental health issues and addiction.

I didn't hear the gospel until my late twenties, and by then I had made a train wreck of my life through selfish choices and bad relationships and was alcohol dependent.

Since being saved by the love of Jesus I have had a strong desire to tell broken and traumatised women the good news of the gospel. We live in Gracemount and genuinely love people here and being part of the community.

- Please pray for the Lord to provide a church building in Gracemount and for us to be content as we wait.
- Pray for continued gospel opportunities with local women through toddlers, community hub and craft group. Pray for the most broken to find true healing in the gospel.
- Pray for me as I facilitate womens discipleship within the church., and that I would have patience and Gods wisdom with a diverse church with different backgrounds and nationalities.
- Pray for the next generation to be set free from the cycle of sin and be the next church leaders.
- Pray for my husband Mark and his role in the High school.
- Pray for all of our 6 children and 2 grandchildren to be saved.
- Pray that we would rely on God and not in our own strength.
