# MY STORY

*Gracemount Community Church exists to reach the people of Jesus with the gospel of Jesus.*

*The work began initially through the work of Switch doing youth work in the community, and developed with the help of 20schemes into a local church being launched Easter Sunday 2017.*

*Since then we've witnessed the Lord Jesus build his church as he's saved and gathered people through the preaching of his word.*

*If you were to pray one thing for us at GCC it would be from Galatians 6:9: 'Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.'*

- **Pray that we'd continue to be a church that's established and trusted in our community, seeing conversion growth that reflects the diversity of our community.**
- **Pray that the Lord would provide a building in our scheme for us to call our own and use as a tool for gospel witness throughout the week.**
- **Pray that we would disciple new believers well so that they become the next generation of indigenous leaders in Gracemount.**
- **Pray that the Lord of the harvest would send more labourers to give their lives to making Jesus known in schemes like ours around Scotland.**
