ONTHANK

Planting in
Onthank, Kilmarnock

Support gospel churches in Scotland's poorest communities at 20schemes.com/give

MY STORY

It is our hope and prayer to plant a new life-filled and gospel-centred church in Onthank. Onthank is a housing scheme in Kilmarnock, Scotland. We are already living in Onthank to deliberately develop friendships with those living around us.

Paul is assistant minister at Maxwell Church in Kilmaurs - a five-minute drive away. Maxwell Church has also employed him as a church planter with the aim of planting this church in Onthank. We are heavily involved in the life of Maxwell Church, which will also be where we bring new converts before we plant the new church. Eventually, a core group will be sent from Maxwell Church to begin in Onthank as the plant.

- **Please pray for the outreach events we have planned for 2023 in Onthank which include a summer football camp for children, and a carols service at Christmas**
- **We meet weekly on Sunday afternoons to pray for the future church plant. Pray more would come and join us and that God would work through the prayers of his people**
- **Pray that people would come join our church plant's core team**
