OUR STORY

Kilmarnock Baptist church called David to be their pastor in Nov 2021. At this time church was struggling in several ways and for several reasons. Numbers were declining and the church was drifting.

The original plan was to teach God's word faithfully, have doctrinal clarity, develop relationships and after some time run outreach events.

God had other plans. We have grown fourfold as God simply brought people through the doors.

"Evangelism is easy but discipleship is hard"

That is our experience here and we seek to keep going in discipling those God has called into His church. To support us with this we partnered with 20schemes in early 2024.

We have had ups and downs. Including most recently when our building was condemned. Yet God has been faithful in providing a community hall. We continue to grow in number and prayerfully seek to grow in God's word.

- **For our family to faithfully follow God's word in our personal lives**
- **We want to see our members grow in knowledge and love for God in often hard circumstances**
- **Although we have seen growth in numbers, our finances have not grown. Pray we are faithful in trusting Gods provision**

If you would like to receive our prayer updates please contact david.hannah@kbc.org.uk to be added to the mailing list.
