# OUR STORY

Hello! We are the Davis Family. We moved to Scotland in 2021 from Syracuse, NY to serve with 20schemes.

We joined Hope Community Church Barlanark (HCCB) where we have served and grown in preparation for planting another church in the schemes. Michael is a pastor/elder at HCCB and Lindsay works part time as a Women's Worker. We both meet regularly with people in the community or from our church for evangelism and discipleship. Our kids attend the local public schools and they love being part of our church.

Our Baillieston plant team (led by Michael) began meeting in September 2022. We meet weekly for prayer, planning, and training. While we are all still members at HCCB, we are actively doing life and seeking to build relationships with the community of Baillieston. We will prayerfully "launch" as Baillieston Community Church January 2025.

- **Pray for wisdom and endurance as Michael leads plant team meetings and helps the team engage with people in the community.**
- **Pray that our kids would grow in their faith and be drawn closer to Jesus through their school experience.**
- **Pray for God to give grace and strength to respond well to the stresses of culture, life, and ministry.**
- **Pray for wisdom and fruitfulness as we regularly meet with people throughout the week for discipleship and evangelism!**
